Deputy Accountant Generals Office
Bangalore 7th September 19

From

The Deputy Accountant General
of Expenditure, and
Superintendent of Stamps.

To.

The Secretary to the Chief Commissioner
General Department

Sir,

I have the honor to State that in consequence of the adoption of Labels for denoting Court Fees a large quantity of Stamp Papers which were impressed for use under the operation of the Court Fees Act, as well as the General Stamp Act, have been rendered useless for the present. Stamps of fractional values have never been much used and the stock might also advantageously be reduced

2. The stamps referred to are impressed with the embossed die. Bicolor Stamps have been sanctioned since and in order to facilitate their introduction as well as to avoid waste of water marked paper, I propose with the Chief Commissioner's approval

Value	Number
5 annas —	10.000.
12 annas —	15.000.
1¼ Rupees —	29.000.
1½ — do —	17.000.
2¼ — do —	10.000.
2⅛ — do —	10.000.
3 — do —	14.000.
4 — do —	14.000.
4½ — do —	8.000.
5 — do —	7.000.
6 — do —	4.500.
7 — do —	4.000.
8 — do —	7.000.
9 — do —	3.000.
10 — do —	9.000.
12 — do —	4500.
	166.000.

to send the papers as per margn to the Stamping Department Madras, as required from time to time to be covered, with the bicolor die into such values as are most in demand.

By this conveying the embossed papers in stock, I hope to obviate purchasing water marked paper from the Madras Stamp Office to the value of about 1200 Rupees.

I have the honor to be
